## **Join the Justice Partner Circle:**

**Shape the Future of the Legal Profession. Advance Access to Justice. Lead Legal Innovation.**

### **About Free Law Project (FLP):**

At FLP, our mission is to democratize legal information and strengthen access to justice. We provide free, open-source tools and data that serve the public, courts, lawyers, and researchers. Our work includes:

- **CourtListener & RECAP:** Platforms for accessing primary legal materials, tracking cases, and supporting legal research with millions of court opinions and filings.
- **Direct Work with Courts & Litigant Portal:** Partnering with courts to create accessible systems for filing and public access, while supporting self-represented litigants.
- **Partnerships with Nonprofits & Legal Aid Organizations:** Collaborating to ensure critical legal resources reach those who need them most.
- **Advocacy for Open Source Tools:** Promoting transparency and innovation in legal technology to empower firms, researchers, and the public.
- **Access to Justice Initiatives:** Using technology and data to reduce barriers and make legal information more equitable.

### **Why Your Firm Should Join**

- **Shape the Future of Legal Practice:** Support the development of AI-driven research tools that enhance efficiency, accuracy, and client service.
- **Ensure a Transparent & Accountable Legal System:** Help provide free access to primary legal materials and open data, enabling lawyers and the public to hold institutions accountable.
- **Fulfilling Attorneys' Ethical Responsibility:** Demonstrate your firm's commitment to the public good, justice, and equity in the legal system.

## Campaign Levels & Custom Opportunities

- Enclosed is a summary of **levels and benefits** for participating firms.
- Benefits support your firm's use of FLP tools, provide access to new features and data, and enhance engagement with legal innovation.
- We can also **create a custom package** tailored to your firm's needs—including access to FLP's data for bespoke legal tech projects.

## Why It Matters

Joining the Justice Partner Circle is more than a contribution—it's a statement. Your firm will be recognized as a leader in legal innovation, social responsibility, and community impact.

Together, we can strengthen the rule of law and create a legal system that is more accessible, equitable, and accountable.

## Let's Connect

We would be honored to discuss how **your firm** can participate. Please reach out to connect with us and explore the many ways your firm can help advance justice and innovation in the legal profession.
